Terms and Conditions

- Cancellations or reschedules within 24 hours of shoot will incur a \$50 cancellation fee.
- Photo shoots may not be booked within 1 hour of Sunrise or Sunset.
- Please Check Weather ahead of time! – Rainy conditions are not photographable and will be cancelled or rescheduled at photographer's discretion. There is no guarantee that photos will be able to be rescheduled if the shoot is cancelled due to weather. If scheduled at a time where gloomy weather is present, the photos will still be completed but may have reduced photo quality. If you would like to reschedule due to weather or gloom, you must do so 24 hours in advanced or further in order to not incur the \$50 cancellation fee.
- If the photographer arrives for the scheduled time and drone photos are not permitted due to weather (rain, wind, excessive snow, etc.) or other circumstances, the photo package price will be reduced by \$75. This is solely at the discretion of the photographer. If the client would like to have the photographer come back at a later time for the drone photos, there will be a \$100 + Drive time fee (if applicable) cost for the re-scheduled drone photos. This is ONLY when the photographer is not able to fly the drone due to weather or unforeseen circumstances.
- For the Bonus Virtual Tours: the virtual tour will be available for 3 months after package submission to the client at no cost. If you would like the package to be hosted longer, there will be an additional fee. After 3 months, there is no guarantee the virtual tour will be accessible any longer.
- For Photo Package: Media will be delivered virtually to the client. The photographer will host the media for 30 days and has the right to delete media thereafter. Please download and save all media sent before 30 days or there is no guarantee it will be recoverable (this includes any Google Drive folders or other cloud software).
- Payments due net 15 days after scheduled time.

Thank you for choosing The One Package for your Real Estate Photography Needs! If you have any questions please call or text (317) 759-4663.
